WHY IS ART IMPORTANT?

Many of our most valuable skills- including creative ability, aesthetic judgment, problem posing and solving, critical thinking, and visualization- are uniquely fostered only by art education. Our visual art program is one of those little things that differentiates our school from other educational institutions. Do you know of someone you can share our school with? If so, please connect them directly with Kelly Gennick / principal@lcas.org / (360) 748-3213.

## Get Well Card

Please sign the card located by the sanctuary doors for a church member battling health issues.
